

NLIHC State Coalition Partners

NLIHC's state coalition project seeks to improve and expand the capacity of state housing and homeless coalitions to educate, to be more actively engaged in educating, and to be more skillful in holding federal, state and local policy makers accountable for solving the housing problems of low income people.

NLIHC's 67 state coalition partners in 44 states and the District of Columbia are an integral part of the work we do. Our state partners are housing and homeless advocacy organizations serving statewide or regional areas, and are the organizations with which we work most closely. Please join the partner or partners where you live, as well as NLIHC, to strengthen state and national advocacy for more affordable housing.
