NATIONAL HOUSING TRUST FUND STATE ADVOCACY POINT PEOPLE

In advance of the first allocations of the National Housing Trust Fund, NLIHC is working with leaders in each state, as well as Puerto Rico and District of Columbia, who will mobilize advocates in support of NHTF allocation plans that benefit ELI renters to the greatest extent possible. Please contact the point person in your state to find out about the public participation process and how you can be involved. Email outreach@nlihc.org with any questions.
