^{*}The 2021 budget request creates a separate Moving to Work account with \$5.2 billion in reallocated reduced funding from public housing and tenant-based rental assistance, essentially block granting these funds to MTW-Public Housing Agencies (PHAs). The MTW demonstration is a deregulation initiative that gives PHAs very broad flexibility in how they administer public housing and housing choice voucher programs. This deregulation allows PHAs to shift funds out of the voucher program in a manner that may result in fewer families receiving housing assistance. We will continue to analyze and monitor this proposal and its impacts on low-income residents.

^{**} The Senate bill disaggregates spending for the public housing capital and operating accounts. The bill provides the capital account with \$2.765 billion, with an additional \$75 million for emergency capital needs. Funding for the public housing operating fund is set at \$4.492 billion, and an additional \$25 million is made available based on need. Additional funds are itemized for lead-based hazards (\$25 million), a Healthy Homes Initiative (\$20 million), troubled properties (\$15 million), and resources to support financial and physical assessment activities (\$23 million).

^{***}The 2021 budget request combines spending on rental assistance and vouchers.

[^]The House 2021 budget combines spending on rental assistance and vouchers. Funding for the MPR preservation demonstration is in a separate line item.

^{^^} The final bill disaggregates spending for the public housing capital and operating accounts. Funding for the public housing operating fund is set at \$4.839 billion, and an additional \$25 million is made available based on need. The bill provides the capital account with \$2.765 billion, with an additional \$75 million for emergency capital needs, \$25 million for lead-based hazards, \$35 million for a Healthy Homes Initiative, \$15 million for troubled properties, resources to support financial and physical assessment activities (\$23 million), and for radon testing (\$4 million).
