

NLIHC State and Tribal Partners

State and tribal partners are the member organizations with which NLIHC works most closely. NLIHC offers unique support for these partners, such as regular forums for networking and knowledge-sharing and in turn, partners commit to participating in federal advocacy for the lowest-income renters in their region and educating and mobilizing their network around NLIHC's policy priorities. State partners are affordable housing and homelessness advocacy organizations that serve whole states or regions within a state. Tribal partners are nonprofit organizations that serve tribes in particular geographic regions and prioritize advocacy for the lowest-income people. Six positions of NLIHC's board of directors are reserved for current state or tribal partners and new partner organizations must go through a board-approval process.

Currently, NLIHC has one tribal partner in the Northern Plains region and 67 state partners operating in 46 states and the District of Columbia. Please become a member or an active advocate with the partner organizations where you live, as well as NLIHC, to strengthen state and national advocacy for more affordable housing. For information about becoming a state or tribal partner, contact outreach@nlihc.org.
