

NLIHC STATE AND TRIBAL PARTNERS

State and Tribal partners are at the heart of NLIHC's work. These partners are nonprofit or nongovernmental organizations, current NLIHC members, and able to mobilize a network of advocates in their region. They collaborate closely with NLIHC to advance its mission and drive advocacy in their region for the lowest-income renters. In return, these organizations receive unique support, including regular forums for networking and knowledge sharing. Six positions on NLIHC's board of directors also are reserved for state or Tribal partners to guide the Coalition's work.

Currently, NLIHC has one Tribal partner in the Northern Plains region and 68 state partners operating in 46 states and the District of Columbia. NLIHC is actively expanding this network and welcomes others interested in joining, especially in areas where official partnership has not yet been established. These areas include Montana, South Dakota, South Carolina, Wyoming, and the U.S. territories. NLIHC also aims to strengthen and grow Tribal housing partnerships beyond the Northern Plains. New partner organizations officially join through a required board-approval process.

Please become an active member or advocate with NLIHC and the partner organizations in your region to strengthen the national housing justice movement. For information about becoming a state or Tribal partner, contact outreach@nlihc.org.
