\* The spending proposal includes funding provided through HUD's Operating formula, plus funding allocated for a need-based grant

^The President's FY27 budget request specifies \$30 million in FUP funding would be used for the Melania Trump Foster Youth to Independence Initiative, targeting vouchers specifically to people between 18-24 years old who are leaving or will soon leave foster care and are at risk of homelessness

\*\* The President's FY27 budget request eliminates three separate programs, including the Self-Help Homeownership Opportunity (SHOP) program, and replaces them with a single \$16 million grant to Habitat for Humanity to fund activities including assisting low-income homebuyers willing to contribute sweat equity towards the construction of their houses, and increasing the capacity of local affiliates to promote affordable housing and community development.
