Source: Out of Reach 2024. This congressional district includes at least a portion of the Fair Market Rent (FMR) areas listed above. For FMR areas that span more than one state, the data reflect this state's geography. For districts covering more than seven FMR areas, only the seven largest are shown.

*Severely cost-burdened households spend more than 50% of income on housing costs, including utilities. **Or poverty guideline, if higher. AMI = Area Median Income. Last updated in March 2025. Please Contact NLIHC research staff at research@nlihc.org or (202) 662-1530 for additional information.
