*The 2021 budget request creates a separate Moving to Work account with \$5.2 billion in reallocated reduced funding from public housing and tenant-based rental assistance, essentially block granting these funds to MTW-Public Housing Agencies (PHAs). The MTW demonstration is a deregulation initiative that gives PHAs very broad flexibility in how they administer public housing and housing choice voucher programs. This deregulation allows PHAs to shift funds out of the voucher program in a manner that may result in fewer families receiving housing assistance. We will continue to analyze and monitor this proposal and its impacts on low-income residents.

**The 2021 budget request combines spending on rental assistance and vouchers.

^The House 2021 budget combines spending on rental assistance and vouchers. Funding for the MPR preservation demonstration is in a separate line item.
