* The spending proposal includes funding provided through HUD’s Operating formula, plus funding allocated for a need-based grant

† Language in the FY25 Continuing Resolution (CR) provides the HUD Secretary the authority to “repurpose funds made available under” the Continuum of Care (CoC) Builds program “to provide additional amounts for the CoC program”

** The Trump Administration’s FY26 budget request proposes combining the Housing Choice Voucher program, Public Housing, Project-Based Rental Assistance, and the Section 811 and Section 202 programs into the State Rental Assistance Block Grant program

+ The Trump Administration’s FY26 budget request provides \$10 million, “available until expended, for noncompetitive grants to recipients that received a Tribal HUD-VASH grant in prior years,” and transfers control of the VASH program from HUD to the Department of Veterans Affairs for the creation of a new “Bridging Rental Assistance for Veteran Empowerment” (BRAVE) program, funded at \$1.1 billion. The House FY26 budget would fund the BRAVE program at \$970 million in its FY26 Military Construction & Veteran Affairs spending bill.
