HAWAII HOUSING FINANCE AND DEVELOPMENT CORPORATION  
SUBSTANTIAL AMENDMENT NO. 2 TO THE  
PY2017 ANNUAL ACTION PLAN**

This Substantial Amendment No. 2 to the State of Hawaii’s PY2017 Annual Action Plan (AAP) incorporates specific activities under the National Housing Trust Fund (HTF) program into the PY2017 AAP. The activities are located in the City and County of Honolulu.

In its PY2017 AAP, the Hawaii Housing Finance and Development Corporation (HHFDC) allocated HTF grant funds in the amount of \$1,425,000 to the City and County of Honolulu (City), its PY2017 Sub-Grantee, to be used for the production or preservation of affordable rental housing units serving households with incomes at or below 30% of the area median income, and for the administration of the HTF program activities. The City has since identified specific activities that will utilize the PY2017 HTF, as shown in the chart below.

Hale Makana o Maili (HMOM) (Waianae)	\$1,006,185

City and County of Honolulu’s Administration of the HTF Program	\$75,000
<b>TOTAL PY2017 HTF</b>	<b>\$1,425,000</b>

The City plans to use its HTF funds for the development of HMOM, a new construction, 52-unit rental housing project, five units of which will be HTF-assisted, serving families with incomes at or below 30% of the Area Median Income (AMI), for the acquisition of QET and its re-development into a 71-unit residential project, three units of which will be HTF-assisted, serving families with incomes at or below 30% AMI, and for the City’s administration of the HTF program.

Section AP-38 of the PY2017 AAP in HUD’s Integrated Disbursement and Information System will be amended to replace the existing language with information on the specific activities in Honolulu, as follows. Other sections relating to specific HTF activities will be amended accordingly.

## NOTICE OF PUBLIC COMMENT

## NOTICE OF PUBLIC COMMENT

The Hawaii Housing Finance and Development Corporation (HHFDC) is proposing a substantial amendment to its Program Year (PY) 2018 Annual Action Plan (AAP) and a substantial amendment to its PY2017 AAP. The amendments propose to remove three activities from the PY2018 AAP and include all three activities in the PY2017 AAP. The activities were selected by the City and County of Honolulu (City) to receive assistance under the National Housing Trust Fund (HTF) program, administered by HHFDC.

The Hale Makana o Maili new construction project in Waianae, the Queen Emma Tower (QET) acquisition and re-development project in downtown Honolulu, and the City's administration of HTF funds were originally scheduled to utilize PY2018 HTF funds. However, the City has found that all three activities could be funded with PY2017 HTF funds, prompting substantial amendments to HHFDC's PY2018 and PY2017 AAPs. Additionally, the QET was initially projected to provide seven (7) affordable rental units to households with incomes at or below 30% of the Area Median Income (AMI), however PY2017 HTF funds will support the re-development of three (3) affordable rental units for households with incomes at or below 30% AMI. All other project descriptions remain the same. HHFDC will process a substantial amendment to its PY2018 AAP when the City selects replacement activities for its PY2018 HTF funds.

The HHFDC plans to submit to HUD its Substantial Amendments to its PY2018 and PY2017 AAPs, to incorporate the amendments described above. Other aspects of both AAPs would remain the same.
