

No Place to Grow Old is the first documentary to capture a growing crisis unfolding quietly across America: **older adults aging into homelessness.**

WATCH THE TRAILER

"No Place to Grow Old exposes a crisis we can no longer ignore... our elders deserve the dignity and stability to age in place with respect."

No Place to Grow Old

A HUMANS FOR HOUSING FILM

noplacetogrowold.com

OVER 80 ORGANIZATIONS HAVE USED THE FILM TO SPARK COMPASSION AND CONVERSATIONS

"I felt it was a wonderful representation of how homelessness is actually experienced compared to what people see when driving by."

"Been working on housing justice issues for over 30 years. I'm not sure I have ever seen the case made better than you made it. Clear, concise, compassionate, well-researched. Beautiful job."

FROM 500+ ANONYMOUS SURVEY RESPONSES WE'VE LEARNED

85%

Felt better educated about the older adult housing crisis.

91%

Left with more compassion for those living outside.

94%

Felt motivated and able to share what they learned with their community.
